Mr. Graff expressed concern for the residents of Third Ward who live in alleys and can't get their garbage to the front.

Discussion was held pertaining to possible problems, the fact that there will be exceptions, damage caused by trucks to the alleys may damage main arteries, possibility of trucks scratching vehicles on streets such as Giffin, Franklin, and Duquesne, residents putting trash out early on the front streets, and the fact that Waste Management said they will backtrack and do both the streets and alleyways until everyone gets used to the program – probably 2 to 4 weeks.

Both Mr. Kazmarski and Mr. Coleman suggested trying the
