ENGINEER'S REPORT:

SOLICITOR'S COMMENTS:

Joe Dalfonso, Borough Solicitor – the application was submitted on December 1, 2021. It is a conditional use requirement. The Planning Commission met on January 6, 2022, and they

recommended approval to council this evening. There were 2 conditions about distances. There was a certain footage that a tattoo can't be within a school building or another tattoo shop and both of those are complied with. It was recommended for approval based on the engineer's review of the plans.

Mr. Chandler requested a motion to approve. Mr. Dalfonso advised it is on the agenda to be approved.
