Mr. Severine asked if there was a way that meeting could be held in the afternoons once every so often because there are people that work at night that can't make the meeting(s) at night.

Mr. Chandler advised it may not be able to be done due to advertising purposes because it has to be consistent throughout. Mr. Chandler asked the solicitor if this was possible to do. The solicitor advised council can set their own times to whatever they want but anything that needs passed would need to be planned ahead of time to account for it. Mr. Chandler asked the opinion of the rest of council and Mr. Bell and Mr. Russo advised to leave it as is.
