Snacks & Lunches

We do our best to provide healthy snacks and lunches at Camp Splash. Please be aware that our morning snack is not a replacement for breakfast. We have catered lunches; a weekly menu will be provided to you on your child's first day at camp. The menu is subject to change, but the caterer will substitute it with a similar item. If we are having something your child will not eat, please provide a bag lunch. Beverages (water and lemonade) are provided all day, every day. Campers may also bring their own water bottle with their name on it.

Sunscreen

Parents should apply sunscreen to their child every morning before coming to camp. We also ask that you send sunscreen with your child in their swim bag so we may reapply it at swim time.
